## **Interactive Ward Health Profiles**

As part of our corporate Joint Strategic Needs Assessment (JSNA) work programme, an interactive Ward Health Profile for Havering has been published. It aims to provide an informative and interactive insight of ward health and wellbeing issues in Havering.

To access the interactive Ward Health Profile, go to: <http://www.haveringdata.net/jsna/> and click on the relevant link. Please feel free to share with others and you can email any feedback to [phi@havering.gov.uk](mailto:phi@havering.gov.uk).
