### 5. Basis of assessment of going concern

The primary source of income for the company is grant income from The London Borough of Havering, which is provided on a quarterly basis. At the date of approval of the financial statements, funding is confirmed until 31st March 2020. Based on the previous successful applications for funding and the absence of other available information to the contrary at the time of approval of financial statements, the directors have no reason to believe that further funding will not be received. However the outcome of the application remains uncertain.

Taking into account forecasts prepared, the directors have concluded that the company is dependent on securing additional funding or funding from alternative sources, in order to continue as a going concern.
